Alone In The Wild BOX SET 3 IN 1: 160+ Outdoor Survival Skills That Will Get You Out Alive Without A House. BOOK #1:

Outdoor Survival Ultimate Guide. 100 Survival Skills that Will Save Your Life Very few of us will ever be faced with a life or death survival situation, in which knowledge of how to utilize the natural world's resources could mean the difference between life and death. However, you never know when it could be you. There are many situations, when camping or hiking, when a little bush craft could make your stay more pleasant, avoid problems and conserve resources, quite apart from possibly saving your life. In the modern world, we are so used to being assured of food, shelter and luxury that it is good to remind yourself how well you could manage if all of that were suddenly no longer available. Having some basic survival skills is not only enjoyable but will keep you calm if a situation should escalate, and reassure you that, if the worst should happen, you have already armed yourself with knowledge. BOOK #2: Outdoor Life Survival Manual. 61 Survival Tactics That Will Get YOU Out Alive Without a House. Everything returns to zero. How will you survive on rock bottom? We'll cover how to take care of your basic necessities without a house. We'll go over multiple scenarios where particular resources may or may not be available to you. We tend to take the modern comforts of life for granted; however these privileges probably won't be around forever. BOOK #3: The Essentials For Wilderness Survival. Alone in the Wild. The Prepper's Survival Guide Let's go rough it. Have you ever heard of anyone saying that? Maybe they are speaking of a camping trip and they say that they are going to, "Rough It". But what does that mean exactly to, "Rough it"? Roughing it should refer to just you and mother nature trying to coexist in the wilderness. No cell phone, no laptop, and no vestige of technological civilization at all. True roughing it, is just you, and the wilderness that surrounds you, it is up to you to make use of this wilderness, to fashion tools out of it and use them to survive. This is the true nature of, "Roughing it".

overcoming adverse wilderness experiences, even if they are endured alone. Compiled by a search-and-rescue professional, straightforward advice is offered on building shelters and fires, signaling for help, finding water and food, dealing with dangerous animals, learning how to navigate, and avoiding injuries. Practice projects are included to hone survival skills--such as starting a fire with a reflective surface, casting animal tracks, or using a treasure hunt to test navigational aptitude. Making a strong argument for danger prevention, each lesson is coupled with simple instructions and diagrams that will reassure and empower young adventurers.

Wilderness Survival Skills is an outdoor survival guide that utilizes the most popular and versatile tool carried by every hiker, camper and hunter: the knife. It provides you with the essential information and life-saving techniques for all survival situations, including hunting, fishing, and trapping, building a shelter, making a fire, self-defense, and carving useful tools. Each chapter presents the knife skills and activities essential for wilderness survival, including: using a knife and axe, carrying and caring for a knife, securing food with a knife, sharpening an axe, and constructing watercraft with a knife.
