New Literary History focuses on questions of theory, method, interpretation, and literary history. It welcomes contributions from a wide range of intellectual perspectives. The distinctiveness of NLH lies in its commitment to scrutinizing the principles and procedures of interpretation, to rethinking theory and method, and to reassessing the current buzz-words and by-words of scholarly argument.

New Literary History: A Journal of Theory & Interpretation is a quarterly academic journal published by Johns Hopkins University Press. It focuses on the history and theory of literature, and key questions of interpretation. The journal has received six awards from the Council of Editors of Learned Journals.

New Literary History - Wikipedia

Description: New Literary History (NLH) focuses on theory and interpretation – the reasons for literary change, the definitions of periods, and the evolution of styles, conventions, and genres. Throughout its history, NLH has always resisted short-lived trends and subsuming ideologies. By delving into the theoretical bases of practical criticism, the journal reexamines the relations between past works and present critical and theoretical needs.

New Literary History on JSTOR

New Literary History focuses on questions of theory, method, interpretation, and literary history. Rather than espousing a single ideology or intellectual framework, it canvasses a wide range of scholarly concerns. By examining the bases of criticism, the journal provokes debate on the relations between literary and cultural texts and present needs.

In more than two hundred original essays, *A New Literary History of America* brings together the nation's many voices. From the first conception of a New World in the sixteenth century to the latest re-envisioning of that world in cartoons, television, science fiction, and hip hop, the book gives us a new, kaleidoscopic view of what "Made in America" means.

A New Literary History of America. For over two centuries, writers have tried to capture the essence and rhythm of America as a nation. America is at once that rare thing, a complex cliché, and something all too familiar, a set of contradictions: "one nation under God, indivisible", but with a dozen varieties of Christianity, the product of Puritanism and the Enlightenment, a colony-turned-superpower equally defined by acts of violence and belief in freedom, isolationism and ...

A New Literary History of Modern China. Literature, from the Chinese perspective, makes manifest the cosmic patterns that shape and complete the world—a process of "worlding" that is much more than mere representation. In that spirit, *A New Literary History of Modern China* looks beyond state-sanctioned works and official narratives to reveal China as it has seldom been seen before, through a rich spectrum of writings covering Chinese literature from the late-seventeenth century to the present.
