It's important to think about the Code when you write your reflections, and consider the role of the Code in your practice and professional development. We have provided a form which sets out the different things you need to think about when writing your reflections. You must use this form to record your written reflective accounts. You may ...

Revalidation: Written reflective accounts | The Nursing

Reflections on a place. May 2010. David Gavaghan reflects on his time at SIB as he prepares to leave Northern Ireland. As I clear my desk, re-discovering old documents, I look out of my window at the eerily silent Belfast City Airport, with the magnificent backdrop of Divis and Black Mountain and Belfast Harbour.

Reflections on a place – agendaNi

The reflection toolkit. Reflection requires a number of skills which can easily be developed. Self-awareness – an ability to pause, to pay attention to thoughts and feelings and to self-question non-judgementally. This will help you to become aware of your habitual ways of thinking and behaving in any given situation).
