April 26, 2011. There are two types of student writers handbook. The Scott Foresman or Harbrace type. And this New World handbook by Sorenson. The first type covers grammar, punctuation, sentence structure, rhetoric, and so on. Very useful. The Sorensen book seems to be one of a kind. It covers TYPES of writing.

A handbook is a living, breathing tool that should be updated and changed every year. As a school principal, it is essential that you keep your student handbook up-to-date. It is also important to realize that every school is different. They have different needs and their students have different issues.
