Active Note Taking Guide Answers - ox-on.nu

Active note-taking means: Think about what you want to get from your reading and why you are making notes – how much detail do you need to read, and how much detail will you need in your notes? Look for answers to the questions you need to address: are you looking for definitions, examples, or debates/theories? Look for connections between what the current text says and anything you have already read: do the authors agree?

Note taking from reading - The University of Nottingham

? Notes are not just to remind you but good note making is an important part of the learning process ? Active listening and reading means that you are doing something with the information you are receiving. ? It involves putting yourself in the right conditions e.g. Sitting at a desk rather than lounging in an armchair etc. slouching makes your brain slouch! ? It involves making decisions and engaging in thought processes...
