Asian Christian Theology provides a survey of contextually reflective, robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia. The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church.

*Asian Christian Theology*

This book focuses on how Asian Christian theologies have been shaped by the interaction of Christian communities with the societies around them and how they relate to the specific historical contexts from which they have emerged. The distinctive-ness of Asian Christianity is shown to be the outcome of dealing with various historical challenges.

My research and publications are in the fields of theological ethics and public theology, focusing through pneumatological, anthropological and ecclesiological lenses on the subjects of social transformation, theology of economics, forgiveness and reconciliation, religion and culture.

*Theology and Religion research: Christian theology ...*

An avowed dedication to developing unique, non-Western theological concepts, and a marked emphasis on liberation, are the two dominant factors in Asian theology -- currently in a stage of self-definition. As in African theology, Latin American liberation theology and theologies of the oppressed in North America, the search for an Asian theology has its origin in the recognition that Euro-American theology is totally inadequate to provide universal concepts of religious understanding.

This essay will explore how the embattled gay Asian male body, like the bruised and battered corpus of Jesus Christ on the cross, might serve an atoning purpose by decolonizing the racism and homophobia of contemporary Christian theologies. That is, gay Asian men--by the very fact of our hybrid and intersectional existence--are called to ...
