The international bestselling series with over 5 million copies sold in the U.S. alone! For years, the Kingdom of Araluen has prospered, with the evil lord Morgarath safely behind the impassable mountains. For years, its people have felt secure. But the scheming hand of the dark lord has not been idle. . . . On a special mission for the rangers, Will and his friend Horace, an apprentice knight, travel to a neighboring village and discover the unsettling truth: all the villagers have either been slain or captured. Could it be that Morgarath has finally devised a plan to bring his legions over the supposedly insurmountable pass? If so, the king's army is in imminent danger of being crushed in a fierce ambush. And Will and Horace are the only ones who can save them. Perfect for fans of J.R.R. Tolkien's *Lord of the Rings*, T.H. White's *The Sword in the Stone*, Christopher Paolini's *Eragon* series, and George R. R. Martin's *Game of Thrones/A Song of Ice and Fire* series.

Will is forced to overcome his fear of Wargals, the foot soldiers of rebel warlord Morgarath, as Araluen's army prepares to battle Morgarath's forces.

As the Kingdom of Araluen prepares for war against Morgarath, Will and Horace accompany Gilan on a mission to Celtica. But Celtica's villages and mines are silent. It is only when the three find an exhausted and starving girl called Evanlyn that they learn why: Morgarath has sent his foul creatures to enslave the Celts. As Gilan rides swiftly back to Araluen to report this news to the King, Will and Horace discover the true purpose behind Morgarath's actions. The Kingdom is sure to be defeated in a surprise three-sided attack - unless the two friends can somehow intervene.
