Clockwork Princess is the stunning conclusion to Cassandra Clare's the Infernal Devices trilogy. The pacing of the third book is much brisker than its predecessor and immediately drags you into the plot. There are also significantly more scenes with action in them, which help to break up the scenes that steadily move the story along.

~~Infernal Devices~~ has got everything: set in Victorian London but with an American heroine — feisty and attractive, natch; it features the Nephilim, a category of quasi-angelic beings (remember Genesis, about there being giants in the world in those days?) and some interesting vampires... one of the Nephilim falls for the heroine but can't, for unspoken reasons, consummate his longing...the human elements of the story are well told.
