The Dictionary of Medieval Latin from British Sources, published by the British Academy, is the most extensive dictionary of Medieval Latin ever produced and the first to have been devoted to British medieval Latin. Covering a particularly long period, stretching from Gildas (fl. 540) to William Camden (1600), it is

entirely based on original research, that is to say, on a meticulous reading of thousands of medieval Latin texts, both literary and documentary, carried out specifically for the ...
