At nearly forty years old, Cash Malloy has accepted that the lifestyle he and Sage, his partner both in life and on the job, live isn't normal but is what both men need to escape the darkness of their pasts. But he also knows that Sage's wounds run much deeper than his own and that there will come a day where what Cash can give Sage isn't enough anymore. And after meeting the young woman Sage has become enamored with, Cash knows that day is closer than ever. At twenty-one, Daisy Washburne has found a new life working for an underground vigilante group. To the men she works with, she's Daisy, IT girl extraordinaire, but in the silence of her apartment she's just awkward, quiet, weird Daisy whose computer is her best friend and whose only link to the outside world are the voices of the men she's trying really hard not to think of as family. But it's one voice on the other end of the phone in particular that calls to her like no other and eases just a little bit of the loneliness that has consumed her since losing her mother to a brutal act of violence. In order to survive, Sage Brighton has had to learn how to be two different people. To most of the world, he's happy-go-lucky, flirty, easy-going Sage. But to the one man who knows him better than anyone else, and yet still doesn't really know who he is, Sage sees himself as nothing more than a fucked-up mess who takes more than he gives. Life without Cash isn't even a possibility for Sage, but he can't deny the pull young Daisy Washburne has had on him from the moment he hears her voice for the first time. Only in the deepest recesses of his mind does Sage allow for a world in which he can have both Cash and Daisy at the same time. Fortunately for Sage, the lines between fantasy and reality are miles apart - almost a thousand miles to be exact, since Daisy doesn't live anywhere near Cash and Sage's home in the Ozarks. But when a chance encounter between Daisy, Cash and Sage in a motel just outside Seattle changes everything, the demons from Sage's past threaten to derail the life he and Cash have built together. When circumstances bring the trio back together, Cash sees an opportunity to give Sage what he needs, even if it costs Cash everything he's ever wanted. Only, he soon finds that Sage isn't the only one drawn to the quiet young woman who's good at being invisible. And he can't help but wonder if maybe the key to saving Sage isn't about Sage choosing who can give him a normal life. Because maybe normal isn't enough. Just like maybe one love isn't enough... for any of them.

Protecting him was just to supposed to be another job. Until it wasn't. Two years after surviving a brutal attack from members of his own unit, former Special Forces soldier Cruz de la Vega has found new purpose working for an underground vigilante group that offers justice when the law can't. When he's assigned to figure out who attacked a local gay rights activist, Cruz expects it to be just another job. But when it comes to protecting Elliot Wittier, he soon learns that the last thing he wants is for the intriguing young man to be just another job. At twenty-five years old, Elliot Wittier is well on his way to having the perfect life. As the head of a hugely successful investment firm and the founder of a prominent foundation, he should be on top of the world. But looks can be deceiving and Elliot knows how to play the game. With the fear of failing the two most important people in his life always at the forefront of his mind, Elliot keeps an iron-grip on the control that has served him so well in the past. But when a violent attack leaves him vulnerable, Elliot's carefully constructed world starts to fracture. As he struggles to keep the threat under wraps, he's thrown off guard when a gorgeous stranger takes an interest in him at a Halloween themed benefit. Throwing caution to the wind, Elliot decides to allow himself the freedom that being with the enigmatic Cruz de la Vega brings for just one night. But what happens when one night isn't enough? Or when the past catches up with the present? Can what two men found in each other in just twenty-four hours really last a lifetime?

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

Lady Catherine, the Earl, and the Real Downton Abbey tells the story behind Highclere Castle, the setting for Julian Fellowes’s Emmy Award-winning PBS show Downton Abbey, and the life of one of its most famous inhabitants, Catherine Wendell. In this transporting companion piece to the New York Times bestseller Lady Almina and the Real Downton Abbey, Catherine, a beautiful and spirited American woman who married Lady Almina’s son, the man who would become the 6th Earl of Carnarvon, presides over the grand estate during a tumultuous time for the British aristocracy. Following the First World War, many of the great houses of England faded as their owners fortunes declined in the new political and social world of the 1920s and 1930s. As war loomed, Highclere’s survival as the family home of the Carnarvons was again in the balance—as was peace between the nations of Europe. Using copious materials—including diaries and scrapbooks—from the castle’s archives, the current Countess of Carnarvon brings alive a very modern story in a beautiful and fabled setting, paying particular attention to the staff who provide Highclere Castle with continuity between generations.

Marcus, Lord Westcliff, is famous for his icy English reserve and his supreme self-control. But something about the audacious Lillian drives him mad. Whenever they're in the same room, they can't stop themselves from battling furiously to gain the upper hand. Then one afternoon, a stunningly sensuous encounter changes everything. . . . and Lillian discovers that beneath the earl's reserved façade, he is the passionate and tender lover of her dreams. The Awakening, originally titled A Solitary Soul, is a novel by Kate Chopin, first published in 1899. Set in New Orleans and on the Louisiana Gulf coast at the end of the 19th century, the plot centers on Edna Pontellier and her struggle between her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century American South.

"Welcome to Daisy Thorne's Ooh La La hair salon in the charming village of Edgemead in Surrey, England, where you'll find the latest styles, the juiciest gossip -- and the most tantalizing murder clues... No one would ever accuse famous opera star Dame Serena Levantâe of lacking a flare for the dramatic. Unfortunately, it's curtains down on the dysfunctional diva when she's found dead at the bottom of a staircase in her elegant home. Solving an opera singer's murder may not be the typical hairdresser's aria of expertise. But Dame Serena was the mother of Daisy's best friend Floria, so Daisy must do-or-dye her best to get to the roots of the case."--
