This title was first published in 2002: The best way to avoid losing at an employment tribunal is to make sure that you don't get drawn into one. Colin Everson offers a practical training resource to help you understand the risks associated with employment tribunals, identify risk areas within your organization and, most important of all, provide you with the means to raise awareness amongst both managers and their employees and help them develop good people-management practice. At the heart of the resource are three compelling training case studies on unfair dismissal, racial discrimination and sexual discrimination. This resource also provides you with material to audit your current management practices and identify where and how to improve them.

Detailed attention to compliance with labour and employment laws is crucial for success in setting up business in a foreign country. Easy to understand for lawyers and non-lawyers alike, this book is sure to be welcomed by business executives and human resources professionals, as well as by corporate counsel and business lawyers.

This book provides the busy practitioner with a fundamental, step-by-step guide to key aspects of the law regarding unfair dismissal. Concentrating on the client interview to establish the validity of the claim, it guides the practitioner smoothly through the necessary paperwork and highlights the time limits within which a claim can be brought before an industrial tribunal, outlining the conduct of the hearing itself. The book addresses the important tactical questions which arise at each step of the case and includes detailed lists, ready-to-use forms, precedents and a table of time limits. It also offers potential solutions through conciliation and outlines the appeals process.

Thorough and timely, McGrady provides attorneys, human resources representatives, and media relations experts with comprehensive and practical analysis of this dynamic topic. Coverage includes the recruitment aspects of social media, employee usage and restrictions, "concerted activity" considerations in the context of the NLRA, and post-termination guidance on social-media-account take-downs. Culminating in sample policies, clauses and checklists, McGrady on Social Media Aspects of Employment Law is an invaluable resource for the modern employment practitioner. Paul McGrady, of Winston & Strawn, is a highly seasoned trademark, social media and domain name expert. Author of two existing LexisNexis titles – McGrady on Social Media and McGrady on Domain Names – Mr. McGrady brings a wealth of practical insights and litigation-tested advice to the subject of social media and, in particular, social media in employment settings. McGrady on Social Media Aspects of Employment Law is his newest title and a proud addition to LexisNexis's exceptional collection of labor & employment products.

Do you know your legal rights and responsibilities if you're buying or selling a home, moving in with your partner, returning goods, getting your personal finances in order or dealing with a problematic neighbour?
