We will gather on Yom Kippur to recite Yizkor, our prayer of memory for our loved ones who have died. The Jewish value of "memory" pervades our lives, our sacred story, and this time in our Jewish calendar year. Many of us were raised on the phrase "Never forget." We have spent our lives being taught that a Jew is obligated to remember those who came before us, from our ancestors in the Torah, to the martyrs of our history, to the loved ones who made our lives possible.

Hazzinu: Don ' t Forget to Remember | Reform Judaism  
Uncertainty can drive you to fear, worry, and doubt. But it ' s also an invitation to hope. Do you ever forget to remember what's true? Sometimes remembering is hard to do! But in this lyrical tale, Ellie Holcomb celebrates creation ' s reminders of God ' s love, which surrounds us from sunrise to sunset, even on our most forgetful of days.

In this delightful board book, Ellie Holcomb creates a lovely and lyrical world to remind young listeners of comforting truths from God.

Ryan Matthews has everything he ever wanted. Close to graduation from Harvard Medical School and on the verge of marrying his gorgeous and accomplished girlfriend, Julia Abbott, his dreams are about to come true and all of their sacrifice is finally at it's end. When tragedy strikes, their relationship is hurled into turmoil that leaves Ryan devastated. His sorrow drives him to keep his distance yet leaves him aching; consumed with desire and love he refuses to let manifest. Julia is inexplicably drawn to Ryan and longs to build a future with him, but his agony over the loss of the heart-stopping memories she no longer shares with him, leaves him unable to trust that she could truly love him without the brilliant past he clings to. When love so unforgettable has been forgotten, can Ryan find enough faith to believe that Julia's heart will remember, even when her mind can't? The second book of The Remembrance Trilogy follows Ryan and Julia's quest to rebuild their stunning past. An incredibly beautiful and heart-breaking romance, full of passion, intensity and truly immeasurable love that will leave you spellbound, breathless and longing for more...

As he sets out for the store, the boy's mother reminds him, "Six farm eggs, a cake for tea, a pound of pears, and don't forget the bacon." On his way, he repeats, "Six fat legs...a cape for me...a flight of stairs...and don't forget the bacon." Or was it "six clothes pegs...a rake for leaves...a pile of chairs...and don't forget the bacon?" Well, at least he was sure to remember the bacon!

Have you ever wondered who hummed the first tune? Was it the flowers? The waves or the moon? Dove Award-winning recording artist Ellie Holcomb answers with a lovely lyrical tale, one that reveals that God our Maker sang the first song, and He created us all with a song to sing. Go to [bhkids.com](http://bhkids.com) to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

Why won't he ask for directions? Why does she always want to talk about the relationship? Why is it so hard for men and women to understand each other . . . and what can we do about it? These are the kinds of questions that are resolved at last in this fascinating book from the founder of gender medicine. Dr. Marianne Legato not only confirms that men and women are different, but she uncovers the neuroscientific reasons behind the age-old disputes between the sexes, while providing a groundbreaking, authoritative, and reader-friendly guide to resolving them.

A kid ' s guide to amazing feats of memorization with " a variety of engaging memory exercises [and] methods for all different types of learners. " —Kirkus Reviews Nelson Dellis, the four-time USA Memory Champion, reveals the secrets to his phenomenal ability to remember almost anything. From presidents to state capitals, from mathematical theorems to the periodic table, kids have so much to remember for school! This incredibly helpful book is structured as an entertaining and fantastical narrative in which the author guides the reader as they attempt to climb Mount Foreverest. Up there, the goal is to defeat the Memory Thief, a villain plotting to steal everyone ' s memories. On the journey, while encountering pirates, forest dwarves, and mummies, you ' ll also find tools and tricks to remember the US presidents in order, foreign word meanings, countries and capitals, the periodic table, long numbers, and multiplication tables. These easily understandable exercises can help build skills to remember any kinds of words, lists, numbers, or concepts. Whether you ' re trying to become a better student or just want to amaze friends and family, Memory Superpowers! is one unforgettable book. " [Steph] Stilwell ' s bright illustrations accompany this book that ' s full of useful tips that will help students enjoy learning to study better. " ?Booklist

It changed her life. But can she remember everything? On a cold evening Zeb, a single mum in her thirties, is found wandering aimlessly on a remote road. She is dazed, confused and bloodied. She doesn ' t know where she is, or how she got there. She has travelled far from home and someone has attacked her. Memory loss means she can trust no-one, and with her assailant unidentified, Zeb is desperate to be reunited with her son Matty, and to ensure their safety. But what will her search for the truth uncover? Will it bring answers, or more questions? And what if the person she can rely on the least... is herself? The Day She Can ' t Forget is tense and evocative, perfect for fans of The Sister or Saving Sophie. Packed full of emotion, drama and mystery, it is Meg Carter ' s second novel, following her bestselling debut The Lies We Tell. " Beautifully written, really intriguing and building to such a powerful and moving conclusion. " Sophie McKenzie Meg Carter worked as a journalist for twenty years before turning her hand to fiction. Her features have appeared in many newspapers, magazines and online with contributions to titles including You magazine, the Independent, Guardian, Financial Times, and Radio Times. She is on the advisory committee of Women in Journalism. She lives in Bath.

Candid, insightful, and wildly entertaining essays about life, love, and lessons learned as an actress in Hollywood, from the beloved star of Gilmore Girls and New York Times bestselling author of Talking as Fast as I Can. With her signature sense of humor and down-to-earth storytelling, Lauren Graham opens up about her years working in the entertainment business—from the sublime to the ridiculous—and shares personal stories about everything from family and friendship to the challenges of aging gracefully in Hollywood. In "RIP Barneys New York," she writes about an early job as a salesperson at the legendary department store—and the time she inadvertently shoplifted; in "Ne Ouble" she warns us about the perils of coming from an extremely forgetful family; and in "Actor-y Factory" she recounts what a day in the life of an actor looks like (unless you ' re Brad Pitt). Filled with surprising anecdotes, sage advice, and laugh-out-loud observations, Graham's latest collection of all-new, original essays showcases the winning charm and wit that she's known for.
