Graphic Design, Referenced: A Visual Guide to the Language, Applications, and History of Graphic Design. It is both painful and cathartic to admit this in print and in the very first sentence of our introduction: This book is one of the hardest, most challenging, and most stressful projects we've undertaken. One part was simply the physical and logistical implications we experienced- writing close to 115,000 words, gathering more than 2,500 images and their respective release forms, and ...

One of the most referenced graphic design quotes is this gem from designer, author and entrepreneur Jeffrey Zeldman. Zeldman states that content precedes design, and is intrinsic to its value. He says that without content, graphic design is but a shell of its potential shelf and doesn't offer anything of substance.

The 50 best graphic design quotes of all time:

Exceptional graphic design blends the use of several elements to create a visually arresting piece. Graphic designers employ the use of colors, textures, lines, shapes, sizes, value, and space to create their work. Often, the end result elicits emotions or reactions in the viewer that serve to define a brand's identity.

History. The Art Directors Club of New York (sometimes referred to as the "ADC") was founded in 1920 by Louis Pedlar and Earnest Elmo Calkins. With Fred Lamb, Calkins had organized the first advertising art exhibits in New York City in 1908, and saw a need for an organization that would "dignify the field of business art in the eyes of artists", emphasizing his belief that "artistic ...
