Evaluation, ROI Process.

Measurement Methods
Handbook of Training Evaluation and
Measurement Methods ...

Training evaluation can be defined as
any attempt to obtain information
(feedback) on the effects of training
program and to assess the value of

Where To Download Handbook Of Training

training in the light of that information for improving further training.

Evaluation of training can be viewed as a method of measuring change in knowledge, skills, attitudes, job performance, costs and the quality of the training facilities.
