In Holy Listening, Guenther offers some brilliant insight into the world of spiritual direction. Her thoughts on the "host/guest" paradigm was key to my formational ideas around offering direction. The section on director as a midwife to the soul truly helped shape my thinking and understanding of this very beautiful, slow and transforming work that is spiritual direction.

Holy listening helps us recognize where that work is happening and how to be a part of it (or at least how to get out of the way!). It also helps us see others as partners in this good work, not as things to manage or problems to solve. Holy listening is hard. It's even harder when transition and change crank up the anxiety to eleven.

A book review on Holy Listening by Margaret Guenther. Spiritual Direction is an essential part of the Christian life. We are on a journey and need an internal compass to guide us. Guenther gives a detailed description of the work of listening to God. That work is described through the three primary roles the Spiritual Director plays: Host, Teacher, and Mid-Wife.

Counting my present experience, Holy Listening: The Art of Spiritual Direction ranks among the very best that I have read to date. This guide, written by Margaret Guenther, is unlike some of the other books on this subject that I have read. First, let me say that spiritual direction is not a discipline or art that can be necessarily taught.
