Background to the conflict: 1894-1949. Prior to 1894, Korea was a Chinese tributary state with a significant degree of independence. During the 1 st Sino-Japanese war, the Chinese were defeated and forced to make territorial concessions, including an acceptance of Japanese control of Korea. Japanese occupation was brutal and continued until the colonial power was itself defeated in WW2, after the American nuclear attacks on Hiroshima and Nagasaki forced them to surrender.

Korean War Study Guide - TruyenYY
Kim Il Sung frequently claimed that the Korean War broke out because the South attacked the North at Haeju in June 1950. However, there is little evidence to support this and even if there were, it would do little to justify the DPRK ' s full scale invasion across the 38th parallel in the same month. North Korean aggression is an obvious cause of the conflict but its roots are more complex.

Common Debates Around The Korean War – Marked By Teachers.com
The Korean War has often been called America ' s " forgotten war " because the United States made no significant territorial or political gains during the war. Despite the fact that tens of thousands of Americans died, the war both began and ended with the Korean Peninsula divided at the 38 th parallel. Nevertheless, the Korean War helped define the Cold War, established a precedent for keeping peripheral wars limited, and boosted defense spending that contributed to the postwar economic ...
