The basis for the motion picture starring Lily Collins and Sam Claflin! What happens when two people who are meant to be together can't seem to get it right? Rosie and Alex are destined for each other, and everyone seems to know it but them. Best friends since childhood, they are separated as teenagers when Alex and his family relocate from Dublin to Boston. Like two ships always passing in the night, Rosie and Alex stay friends, and though years pass, the two remain firmly attached via emails and letters. Heartbroken, they learn to live without each other. But destiny is a funny thing, and in this novel of several missed opportunities, Rosie and Alex learn that fate isn't quite done with them yet.

In an unforgettable love story, a woman's impossible journey through the ages could change everything... Anne Gallagher grew up enchanted by her grandfather's stories of Ireland. Heartbroken at his death, she travels to his childhood home to spread his ashes. There, overcome with memories of the man she adored and consumed by a history she never knew, she is pulled into another time. The Ireland of 1921, teetering on the edge of war, is a dangerous place in which to awaken. But there Anne finds herself, hurt, disoriented, and under the care of Dr. Thomas Smith, guardian to a young boy who is oddly familiar. Mistaken for the boy's long-missing mother, Anne adopts her identity, convinced the woman's disappearance is connected to her own. As tensions rise, Thomas joins the struggle for Ireland's independence and Anne is drawn into the conflict beside him. Caught between history and her heart, she must decide whether she's willing to let go of the life she knew for a love she never thought she'd find. But in the end, is the choice actually hers to make?

« Je devrais être morte à l'heure qu'il est. Mais ce sont d'autres personnes qui n'arrêtent pas de mourir à ma place ! » Ecrivaine ratée, Jen Carter travaille dans une librairie de Glasgow. Ed, son petit ami, est un adorable voyou qui la trompe. Elle se demande encore si elle fait bien de l'éjecter de sa vie quand le destin s'en mêle de façon intempestive : accidentellement – évidemment –, elle le tue. Les problèmes surgissent et s'enchaînent aussitôt : que faire du corps ? de la drogue ? de l'énorme somme d'argent que ledit Ed a laissée chez elle ? Et surtout, comment échapper au tueur qui veut récupérer sa marchandise ? Au flic corrompu, aux médias sensationnalistes et au grand patron de la mafia de Glasgow, Solomon Buchan en personne ? Eh bien... en devenant la femme la plus dangereuse d'Écosse. Volontairement ou par toute sorte de hasards ? La question, un rien ironique, est bien là. Pour le plus grand plaisir du lecteur. « Magnifiquement sombre et troublant. Mais aussi magnifiquement drôle et... écossais. » Dundee University Review of the Arts

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.
