Plant Physiology, Fifth Edition continues to set the standard for textbooks in the field, making plant physiology accessible to virtually every student.

Plant Physiology | Lincoln Taiz, Eduardo Zeiger | download

Plant Physiology by Taiz and Zeiger is a classic book which presents the basics of the field in a splendid and comprehensive manner. The current edition is a continuation of the original text I had used in the early 1990s. The text is a wonderful blend of plant structure and function with the fundamentals of the physiological processes in plants.
