English for International Journalists is a clear and engaging step-by-step guide for non-native speakers using English in journalism across all forms of media. In-depth language analysis is provided in the specialised context of journalism, as well as a comprehensive approach to the rules and guidelines necessary for avoiding the pitfalls and errors that undermine accuracy and clarity. The book, written by Mike Gandon and edited by Heather Purdey, covers a broad range of vital subjects, including:

- Making contact
- Interviewing
- Grammar and journalistic writing
- Sensitive issues
- The language of argument
- The language of impartial and accurate reporting
- Bloggers and broadcasters
- Reporting economy, health and the environment.

The book is closely supported by online resources concentrating on the spoken word, intonation and pronunciation, and also

features an expansive range of exercises and tests, suitable for self-study or to be set as coursework. English for International Journalists presents readers with the essential tools for producing journalism in English today.

Whether you're interested in better performance on the road or extra horsepower to be a winner on the track, this book gives you the knowledge you need to get the most out of your engine and its turbocharger system. Find out what works and what doesn't, which turbo is right for your needs, and what type of set-up will give you that extra boost. Bell shows you how to select and install the right turbo, how to prep your engine, test the systems, and integrate a turbo with EFI or carbureted engine.
