NATIONAL BOOK AWARD WINNER • NATIONAL BESTSELLER • The first volume in the Border Trilogy, from the Pulitzer Prize-winning author of *The Road* *All the Pretty Horses* is the tale of John Grady Cole, who at sixteen finds himself at the end of a long line of Texas ranchers, cut off from the only life he has ever imagined for himself. With two companions, he sets off for Mexico on a sometimes idyllic, sometimes comic journey to a place where dreams are paid for in blood.

AVAILABLE FOR THE FIRST TIME IN eBook! A New York Times Notable Book On the eve of his ninetieth birthday a bachelor decides to give himself a wild night of love with a virgin. As is his habit—he has purchased hundreds of women—he asks a madam for her assistance. The fourteen-year-old girl who is procured for him is enchanting, but exhausted as she is from caring for siblings and her job sewing buttons, she can do little but sleep. Yet with this sleeping beauty at his side, it is he who awakens to a romance he has never known. Tender, knowing, and slyly comic, *Memories of My Melancholy Whores* is an exquisite addition to the master's work.

A dictionary suitable for English and Spanish speakers at all levels of proficiency, this volume contains over 100,000 entries, with examples of usage including many chosen to help users express themselves in a fluent style.
