A manager’s guide to hiring the right employees introduces the practical and effective A Method for Hiring, which draws on the expertise of hundreds of high-level executives to present a simple, easy-to-follow program to guarantee hiring success. 50,000 first printing.

Want a great software development team? Look no further. How to Recruit and Hire Great Software Engineers: Building a Crack Development Team is a field guide and instruction manual for finding and hiring excellent engineers that fit your team, drive your success, and provide you with a competitive advantage. Focusing on proven methods, the book guides you through creating and tailoring a hiring process specific to your needs. You’ll learn to establish, implement, evaluate, and fine-tune a successful hiring process from beginning to end. Some studies show that really good programmers can be as much as 5 or even 10 times more productive than the rest. How do you find these rock star developers? Patrick McCuller, an experienced engineering and hiring manager, has made answering that question part of his life’s work, and the result is this book. It covers sourcing talent, preparing for interviews, developing questions and exercises that reveal talent (or the lack thereof), handling common and uncommon situations, and onboarding your new hires. How to Recruit and Hire Great Software Engineers will make your hiring much more effective, providing a long-term edge for your projects. It will. Teach you everything you need to know to find and evaluate great software developers. Explain why and how you should consider candidates as customers, which makes offers easy to negotiate and close. Give you the methods to create and engineer an optimized process for your business from job description to onboarding and the hundreds of details in between. Provide analytical tools and metrics to help you improve the quality of your hires. This book will prove invaluable to new managers. But McCuller’s deep thinking on the subject will also help veteran managers who understand the essential importance of finding just the right person to move projects forward. Put into practice, the hiring process this book prescribes will not just improve the success rate of your projects—it’ll make your work life easier and lot more fun.

Build a high-performance workforce by abandoning skills-based hiring practices and focusing on employee attitude Hiring for Attitude offers a groundbreaking approach to recruiting, assessing, and selecting people with both tremendous skills but, more importantly, an attitude that aligns with the organization’s culture. Murphy cites his own company’s research and examines recent scientific studies about the practical effects a person’s attitude has on the outcome of his or her job performance. Clear and practical lessons are illuminated by numerous case studies of organizations like Microchip, Southwest Airlines, and The Ritz-Carlton.

Essential hiring and team-building lessons from the #1 Podcaster in the world The Effective Hiring Manager offers an essential guide for managers, team leaders, and HR professionals in organizations large or small. The author’s step-by-step approach makes the strategies easy to implement and help to ensure ongoing success. Hiring effectively is the single greatest long-term contribution to your organization. The only thing worse than having an open position is filling it with the wrong person. The Effective Hiring Manager offers a proven process for solving these problems and helping teams and organizations thrive. The fundamental principles of hiring and interviewing How to create criteria to hire by How to create excellent interview questions How to review resumes How to conduct phone screens How to structure an interview day How to conduct each interview How to capture interview results How to make an offer How to decline a candidate How to onboard candidates Written by Mark Horstman, co-founder of Manager Tools and an expert in training managers, The Effective Hiring Manager is an A to Z handbook to the successful hiring process. The book explores, in helpful detail, what it takes to hire the right person, for the right job, and the right team.

People are a business’s most important asset, but when it comes to hiring, practices are wildly out-of-date, relying on the same wisdom that has been used for over fifty years. It’s time to update how we recruit-by focusing on people, not process.In Recruiting Sucks...But It Doesn’t Have to, human resources guru Steve Lowisz shares a groundbreaking approach to attracting, developing, and retaining an accomplished and vibrant workforce. Dispelling seven recruiting myths that most HR departments believe, Steve will show you how to prioritize behavior over skills, look beyond LinkedIn, be a marketer, find real ways to inspire employees, take responsibility, avoid reliance on technology, embrace diversity, and more. Filled with specific and practical actions and methods, this book will keep you from losing money, morale, and talent, and build a people-centric team that will take you into the twenty-first century and beyond.

Tips and strategies to fill executive-level positions Recruiting for high-end executives requires a special skill-set, and Executive Recruiting For Dummies is here to help you add this niche talent to your arsenal. Whether you’re an in-house human resources manager or a professional recruiter at a search firm, this friendly guide walks you through each step of filling that senior, executive, or other highly specialized position. This book covers the globalization of talent and the advantages of executive recruiting. It provides expert guidance on finding the right candidates, conducting hardy screening and interviewing processes, closing deals, and more. There are 10,000,000 businesses in America that hire at least one senior executive a year, and most turn to commissioning a third-party organization, such as an executive search firm. Rather than losing that next top-tier recruiting job, let Executive Recruiting For Dummies show you how to add this highly desirable and sought-after skill to your resume. Learn to recruit with precision Create a robust interview process Close the deal with a winning offer Find out how to work with professional recruiters Discover how to find the best talent and retain and attract clients with the help of Executive Recruiting For Dummies.

The Unprecedented Tall-All Guide Through the Intricacies of Executive Recruitment The single greatest opportunity that an organization has to improve both performance and culture in one stroke lies in the hiring of a new executive—the right executive. The fresh thinking of a skilled leader has the potential to unleash innovation, empower employees, and generate wealth for the company. Similarly, a bad hire may mortally wound the organization and cause ripple effects throughout the entire economy. Hiring Greatness contains valuable insider strategies and tactics—previously only known to a handful of America’s wealthiest, elite head-hunters—to attract, recruit, and retain star executives. Authors David E. Perry and Mark J. Haluska have completed more than 1800 search projects across five continents, maintaining a 99.97% success rate, and negotiating more than \$380 million in salaries. Like magicians unveiling the hidden tricks of the trade, Perry and Haluska reveal: How to systematically secure—and retain—the perfect talent for your company How to keep recruiters from poaching your star executives (a good hire is relatively meaningless if they leave the company) Twenty-three questions you must ask a potential headhunter The language that makes your company the most compelling, and how HR lingo can repel the best talent Four critical turnoffs that drive great candidates away from top companies One company created \$3.8 million of market value each hour, for six months, simply by hiring the right leader. Hiring Greatness takes you behind the scenes of one of the world’s most profitable and secretive industries, meticulously showing how any organization can make monumental hiring decisions that lead to massive success.
