30+ Social Structure And Law Theoretical And Empirical ...

Social structure is sometimes defined simply as patterned social relations--those regular and repetitive aspects of the interactions between the members of a given social entity. Even on this descriptive level, the concept is highly abstract: it selects only certain elements from ongoing social activities.

10+ Social Structure And Law Theoretical And Empirical ...

A law in social science is a universal generalization about a class of facts. A fact is an observed phenomenon, and observation means it has been seen, heard or otherwise experienced by researcher. A theory is a systematic explanation for the observations that relate to a particular aspect of social life.
