Life can sometimes throw challenges that can make one feel like one is working in a desert without any footwear and no water to drink. Kirth, a young man whose drunken father deserted the family (wife and three children), had to deal with such situations a number of times in his personal life. As the eldest son, he had to bear the responsibility of taking care of his family and hence left his small home town in search of a job in a bigger city. After struggling for nearly three months and his funds, generated by his mother selling her jewellery, almost depleting, he found a job in a marketing company. In one year, he started seeing greener pastures in his job and personal life wherein he found a blossoming friendship with a beautiful young woman. Fate however had different ideas because on the day his relationship could have been cemented, he was pulled away to his hometown because of his ailing mother. The second sojourn into joblessness pushed him into the path that he detested most because his father had hit that road - taking to alcohol as a panacea for his sufferings. His attraction to alcohol proved to be a boon as he found his business partner, a rich young man to revive his professional fortunes. How did he overcome the separation? Did he overcome her infatuation? Did he get married again? The book oscillates between the positives and the negatives of Kirth's life as the protagonist unburdens his heart.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
