"Terror and Consent" argues that, like so many states and civilizations in the past that suffered defeat, we are fighting the last war, with weapons and concepts that were useful to us then but have now been superseded. Philip Bobbitt argues that we need to reforge links that previous societies have made between law and strategy; to realize how the evolution of modern states has now produced a globally networked terrorism that will change as fast as we can identify it; to combine humanitarian ...

Terror And Consent The Wars For The Twenty First Century ...
This is truly the book for our times. ” —Steven Simon, Senior Fellow,
Council on Foreign Relations and co-author of Age of Sacred Terror
“ Terror and Consent is the most profound analysis of the wars
against terror. Bobbitt puts the threat in its proper historical and
theoretical context, explains its relationship to globalization,
international law and the domestic constitutional structure and offers
tough-minded but humane prescriptions.
