Summary and Analysis The Synoptic Gospels and Acts. The earliest Christians did not have any written records of the life and teachings of Jesus. During the course of Jesus' public ministry, no one felt the need to make a written account of what Jesus did or what he said. Those who were close to him could pass to others what they remembered about him.

Luke - Acts is one Gospel
account which tells of the
climax of the Bible's
overall narrative. These
books catalog the life and
teachings of Jesus Christ,
the savior to whom all of
the Old Testament prophecies
pointed. Just as
importantly, Luke - Acts
also takes great care to
point out how Christ
fulfilled Old Testament
prophecies.
