House On The Rock (Church) - Wikipedia
He builds his house on the rock. The rain comes down. The water rises. The winds blow and beat against that house. But it does not fall. It is built on the rock. But everyone who hears my words and does not put them into practice is like a foolish man. He builds his house on sand. The rain comes down. The water rises. The winds blow and beat against that house. And it falls with a loud crash ...

THE HOUSE ON THE ROCK takes you on a personal journey through the word of God, equipping you with a strong foundation for every area of your life. Whether you are searching for truth or want to grow stronger in faith, this 'life manual' will become a powerful resource that you will use over and over again!

Milliner and business owner Abigail Langley defies everyone's expectations. When the odious Brother Griggsby labels her latest hat "sinful," Abby boldly wears it to church. A painful trauma early in her life has taught her the importance of following her own path. Abby had conceived a child out of wedlock. It was the early 1900s, and in the attitude of the times, she was considered "fallen" and her baby taken away from her. Abby never forgot the pain of having her child torn from her arms, and she is defiantly determined to make her way through a man's world with her head held high. She opens a fashionable hat shop in her small hometown of Rockville and catches the eye of the town's new preacher, Noah Edwards. It isn't the first time they've met, and Noah well remembers their fateful first encounter. Now, Abby must contend with Noah's affections as well as the shocking reappearance of her child's father. Dr. Adam Townsend has never forgotten Abby, and when they meet once more, electricity sparks between them. Will this time be different? Or is Abby's heart destined to once again be broken by a man she loves?

The behind-the-scenes battle for the Rock Hall For 25 years, the Rock and Roll Hall of Fame has defined Cleveland's image as the "Rock and Roll Capital of the World." But while the Rock Hall has become an iconic landmark for the city of Cleveland and for fans of rock and roll around the world, it was just one missed phone call away from never being built in Cleveland. If the prominent singer and actress Leslie Gore hadn't contacted radio personality Norm N. Nite in August 1983, the Hall of Fame would not be in Cleveland--period. Earlier that summer, Gore had learned that the newly formed Rock and Roll Hall of Fame Foundation was looking for a city to house their planned museum honoring the history of rock. Gore knew that a year earlier, Nite had pitched an idea for a similar museum, so she reached out to let him know that other figures in the music industry were working to turn his dream into a reality. Nite immediately joined the project's Rules and Nominating Committee and spearheaded the campaign to bring the museum to Cleveland. At the time, the search committee was considering several other cities, including Memphis, Detroit, and New York, but Nite argued that the city's deep historical connection to rock music through Alan Freed and the Moondog Coronation Ball made Cleveland the perfect location. He began lobbying local and state politicians, fundraising with music moguls and civic leaders, and promoting the museum to the broader Cleveland public. As fans got involved, especially with their overwhelming response to a USA Today phone poll, Nite's campaign to bring the Hall to Cleveland was ultimately successful. This book, told from Nite's insider perspective, draws on both first-person accounts and exclusive interviews with influential business leaders, government officials, and giants of the music industry. A detailed record of the Rock Hall's inception and creation, The House That Rock Built becomes a true tribute to the people who made it happen--through Hercules efforts--and to the music it celebrates.

"The biography of an extraordinary architect/sculptor who created the House on the Rock in southwestern Wisconsin [...] Traces the outlines of Alex Jordan's private life and examines his creative process in detail through the exploration of his most important works. In addition, Never Enough plumbs Alex Jordan's deeper motivations for collecting on such a massive scale and examines the place of his work in American culture, and the world at large"--p. [4] of cover.

Part of the 'Stories Jesus Told' series, this book tells the story of two men who went to build houses. One found a strong flat rock on which to build, the other thought he'd like to live on a sandy beach. What happened when the weather turned nasty?

Look up! From the Caldecott Medal-winning creator of the Hat Trilogy comes a new deadpan gem. Turtle really likes standing in his favorite spot. He likes it so much that he asks his friend Armadillo to come over and stand in it, too. But now that Armadillo is standing in that spot, he has a bad feeling about it . . . Here comes The Rock from the Sky, a hilarious meditation on the workings of friendship, fate, shared futuristic visions, and that funny feeling you get that there's something off somewhere, but you just can't put your finger on it. Merging broad visual suspense with wry wit, celebrated picture book creator Jon Klassen gives us a wholly original comedy for the ages.

Henning Mankell's first novel, never before released in English, explores the reflections of a working class man who has struggled against the constraints of his station for his entire life. A VINTAGE ORIGINAL. The year is 1911. The young rock blaster Oskar Johanson has been killed in an accident. Or so it says in the local newspaper. In spite of serious injuries, however, Oskar survives. Decades later, Oskar looks back and reflects on his working life as an invalid, his marriage, his dreams, and his hopes. Oskar's life is woven together out of fragments of voices, images, and episodes that, taken together, provide a sharp and precise picture of life in Sweden for the working class.

Shadows on the Rock' is a novel by the American writer Willa Cather. It was first published in 1931. The novel covers one year of the lives of two French colonists in Quebec - Cecile Auclair and her father Euclide. Like many of Cather's books, the story is driven by detailed portraits of the characters, rather than a narrative plot.
