The Outcast. by. Sadie Jones. 3.63 · Rating details · 8,798 ratings · 818 reviews. A mesmerizing portrait of 1950s hypocrisy and unexpected love, from a powerful new voice. It is 1957, and Lewis Aldridge, straight out of prison, is journeying back to his home in Waterford, a suburban town outside London.

The Outcast by Sadie Jones - Goodreads

In this brilliant debut Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly knit community that rejects love in favor of appearances. Written with nail-biting suspense and cinematic pacing, The Outcast is an emotionally powerful evocation of post-war provincial English society, and a remarkably uplifting testament to the redemptive powers of love and understanding.

The Outcast: A Novel: Jones, Sadie: 9780061374043: Amazon ...

Brilliant book. Not, as one reviewer put it, "lush" writing, but spare, the "less is more" style, that conveys the repressive culture of the 50's in England, and the agony of its outcasts. As an old Brit, I remember those times. I was there! Looking forward to Sadie Jones' second novel.

It holds up a mirror and everyone will recognise some intense emotion, or complete lack of emotion, here- if not Sadie Jones is skilful enough to show us these dark places and implant them within the reader like a false memory, so that we can identify with Lewis (The Outcast), or Kit, or Elizabeth or even Gilbert or David...if not then the nice but ineffectual Alice, Tamsin..or Claire.

Sadie Jones - Wikipedia

The Outcast, by Sadie Jones. Sadie Jones ' s exciting debut is saturated in the same high color as the embracing couple on its cover. Simultaneously tender and urgent, claustrophobic and wistful, The Outcast tells the story of Lewis Aldridge, a tortured romantic figure in the Heathcliff tradition, and of the repressive postwar English society that drives him to self-destruction.

The Outcast, by Sadie Jones | Fiction Writers Review

As a young woman, Sadie opted out of attending university, preferring instead to work an assortment of odd jobs (video production, temping, waiting tables) and to travel. After visiting America, the Caribbean and Mexico, Sadie settled in Paris, where she taught English and wrote her first screenplay. She eventually moved to London,

Sadie Jones – HarperCollins

In this brilliant debut, Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly knit community that rejects love in favor of appearances.

The village was asleep, with all the people behind the walls and through the windows and up the stairs of the little houses blind and deaf in their beds while anything might happen. Lewis headed down the middle of the road and he kept falling and had to remember to get back on his feet. He reached the churchyard and stood in the dark with the church even darker above him. –from *The Outcast* by Sadie Jones It ' s 1957. Nineteen-year-old Lewis Aldridge is returning by train to his home in Waterford where he has just served a two-year prison term for a crime that shocked the sleepy Surrey community. Wearing a new suit, he carries money his father Gilbert sent — to keep him away, he suspects — and a straight razor. No one greets him at the station. Twelve years earlier, seven-year-old Lewis and his spirited mother Elizabeth are on the same train, bringing Gilbert home from war. Waterford is experiencing many such reunions, alcohol lubricating awkward homecomings and community gatherings. The most oppressive of these are the mandatory holiday parties hosted by the town ' s leading industrialist Dicky Carmichael, Gilbert ' s employer. With the Carmichael estate backing onto the Aldridge property, the attractive and popular Tamsin Carmichael and her precocious kid sister Kit are Lewis ' s playmates, along with a gaggle of neighbourhood boys who (like Lewis) are fascinated by Tamsin. The children play thrilling and cruel games, mirroring the adults ' inebriated dysfunction. Though pleased to be reunited with Elizabeth, Gilbert is appalled by the coddling his son has received in his absence. No longer permitted to skip church for picnics by the river, Elizabeth and Lewis are steered back under the ever-judgmental gaze of Waterford society. Lewis continues to flourish, a naturally capable golden child. But iconoclastic Elizabeth, disappointed by Gilbert ' s insistence on conformity, seeks refuge in the bottle. Then a sunny riverside picnic ends with Elizabeth dead and ten-year-old Lewis the only witness. A shattered Gilbert is incapable of providing comfort to his young son and the community of Waterford turns away from the traumatized child, now rendered a pariah by tragedy. Lewis is sent to boarding school, summoned home only for holidays. Gilbert remarries five months later to Alice, a compliant beauty who is not up to the task of parenting a damaged child. Years pass and Lewis, now a troubled teenager, is lost in dangerous and self-harming behaviours. When an incident with a local bully causes Lewis to be even further estranged from the community, Gilbert and Alice stand idly by as Lewis is tormented by the tyrannical Dicky. Enraged, Lewis commits a shocking crime against the whole of Waterford and is sent to prison. Two years later, upon his shamed return, the town continues to treat Lewis as an outcast. Only Tamsin ' s little sister Kit, now a young woman, sees in him the golden boy he once was. She had become infatuated with Lewis years earlier when he had casually protected her from bullies and broken bicycle chains. But she now faces a much darker and more dangerous sort of bullying at the hands of her father. It is up to Lewis once again to rescue her, redeeming himself through tremendous courage and terrible sacrifice. And perhaps Kit holds the power to rescue him, too. Winner of the Costa First Novel Award and a finalist for the prestigious Orange Prize, Sadie Jones ' s *The Outcast* introduces us to a clear and brave new voice in British fiction. The novel is a clarion call to us all, daring us to stand up to the bullies of our world, in whatever form they may take and — above all else — to love our children.

A mesmerizing portrait of 1950s hypocrisy and unexpected love, from a powerful new voice It is 1957, and Lewis Aldridge, straight out of prison, is journeying back to his home in Waterford, a suburban town outside London. He is nineteen years old, and his return will have dramatic consequences not just for his family, but for the whole community. A decade earlier, his father's homecoming has a very different effect. The war is over and Gilbert has been demobilized. He reverts easily to suburban life—cocktails at six-thirty, church on Sundays—but his wife and young son resist the stuffy routine. Lewis and his mother escape to the woods for picnics, just as they did in wartime days. Nobody is surprised that Gilbert's wife counters convention, but they are all shocked when, after one of their jaunts, Lewis comes back without her. Not far away, Kit Carmichael keeps watch. She has always understood more than most, not least from what she is dealt by her own father's hand. Lewis's grief and burgeoning rage are all too plain, and Kit makes a private vow to help. But in her attempts to set them both free, she fails to foresee the painful and horrifying secrets that must first be forced into the open. In this brilliant debut, Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly knit community that rejects love in favor of appearances. Written with nail-biting suspense and cinematic pacing, *The Outcast* is an emotionally powerful evocation of postwar provincial English society and a remarkably uplifting testament to the redemptive powers of love and understanding.

1957, and Lewis Aldridge is travelling back to his home in the South of England. He is straight out of jail and nineteen years old. His return will trigger the implosion not just of his family, but of a whole community. A decade earlier, his father's homecoming casts a different shape. The war is over and Gilbert has recently been demobbed. He reverts easily to suburban life - cocktails at six thirty, church on Sundays - but his wife and young son resist the stuffy routine. Lewis and his mother escape to the woods for picnics, just as they did in wartime days. Nobody is surprised that Gilbert's wife counters convention, but they are all shocked when, after one of their jaunts, Lewis comes back without her. Not far away, Kit Carmichael keeps watch. She has always understood more than most, not least from what she has been dealt by her own father's hand. Lewis's grief and burgeoning rage are all too plain, and Kit makes a private vow to help. But in her attempts to set them both free, she fails to predict the painful and horrifying secrets that must first be forced into the open. As menacing as it is beautiful, *The Outcast* is a devastating portrait of small-town hypocrisy from an astonishing new voice.

“ *The Snakes* is many things—a parable and an ancient drama where a father ’ s greed devours his children, a police procedural, an avid take on tabloid venality, and a bitter comedy, superbly observed, where behind a woman ’ s eyes she is ‘ all movement inside herself, like a wasp in a glass. ’ I admit that I ’ m still shaken by parts of this novel. Sadie Jones writes with pitiless aplomb and corrosive intelligence. ” —Louise Erdrich A chilling page-turner and impossible to put down, *THE SNAKES* is Sadie Jones at her best: breathtakingly powerful, brilliantly incisive, and utterly devastating. The new novel by Sadie Jones tells the tense and violent story of the Adamsons, a dysfunctional English family, with exceptional wealth, whose darkest secrets come back to bite them. Set mostly in rural France during contemporary times, *THE SNAKES* is an all-consuming read and a devastating portrait of how money corrupts, and how chance can deal a deadly hand. *THE SNAKES* exposes the damage wreaked by parents on children as observed by a new member of the family, Dan, a mixed-race man from Peckham who marries Bea, the daughter who refuses to take any of her father ’ s filthy money. But when Bea ’ s brother Alex (who runs a shabby hotel in Paligny, France) dies suddenly in unexplained circumstances, the confusion and suspicion which arise bring other dark family secrets—and violence—to the surface. And none of the family, even the good members, go untouched.

It's rural England, just after the turn of the last century. Charlotte married Edward Shift after the sudden death of her first husband, Horace Torrington. They live at Sterne, the home they are in danger of losing due to a financial crisis, with Charlotte's 3 children: Emerald, Clovis and Smudge. On the day of Emerald's birthday party, a terrible train wreck occurs on a branch line and the stranded passengers seek refuge at Sterne. Among these passengers is Charlie Traversham-Beechers, a sketchy figure from Charlotte's past. This unusual guest list makes for an unforgettable birthday celebration for Emerald and an evening of the past literally coming back to haunt Charlotte.

Sadie Jones, the award-winning and internationally bestselling author of *The Outcast*, returns with an ambitious, richly imagined novel that confirms her place in the literary firmament. A passionate and beautifully written tale of personal loss in the midst of war in late 1950s Cyprus, *Small Wars* raises important questions that are just as relevant today. What happens when everything a man believes in — the army, his country, his marriage — begins to crumble? Hal Treherne is a young British soldier on the brink of a brilliant career. Transferred to Cyprus to defend the colony, Hal takes his wife, Clara, and their daughters with him. But Hal is pulled into atrocities that take him further from Clara, a betrayal that is only one part of a shocking personal crisis to come. *Small Wars* is a searing, unforgettable novel from a writer at the height of her powers.

Sadie Jones, the award winning, bestselling author of *The Uninvited Guests* and *The Outcast*, explores the theater of love, the politics of theater, and the love of writing in this deeply romantic story about a young playwright in 1970s London. Leaving behind an emotionally disastrous childhood in a provincial northern town, budding playwright Luke Kanowski begins a new life in London that includes Paul Driscoll, an aspiring producer who will become his best friend, and Leigh Radley, Paul's girlfriend. Talented and ambitious, the trio found a small theater company that enjoys unexpected early success. Then, one fateful evening, Luke meets Nina Jacobs, a dynamic and emotionally damaged actress he cannot forget, even after she drifts into a marriage with a manipulative theater producer. As Luke becomes a highly sought after playwright, he stumbles in love, caught in two triangles where love requited and unrequited, friendship, and art will clash with terrible consequences for all involved. *Fallout* is an elegantly crafted novel whose characters struggle to escape the various cataclysms of their respective pasts. Falling in love convinces us we are the pawns of the gods; *Fallout* brings us firmly into the psyche of romantic love—its sickness and its ecstasy.

This publication is not for sale to libraries. A story about a boy called Lewis - his childhood and adolescence as he grows up in the stultifying world of the home counties in the late forties and fifties. It presents an everyday tale of drunkenness, violence and a fair amount of sex, set amongst the well-brought-up professional classes.

A New York Times Notable Book A San Francisco Chronicle, San Jose Mercury News, and Los Angeles Times Best Book of the Year “ A gripping and resonant novel. . . . It immerses the reader in a distant world with startling immediacy and ardor. . . . Riveting. ” —Michiko
