The Ruins of Us – HarperCollins
Ruins is a Japanese music duo composed only of drummer/vocalist Tatsuya Yoshida and a bass guitarist (there have been four such bassists in the band's history). The group, formed in 1985, was supposedly intended to be a power trio; the guitarist, however,

never showed up to the band's first rehearsal so the group remained a duo. The music touches on progressive rock, jazz fusion and noise rock.
