## Online Library Thomas Calculus 12th Edition Textbook Missouri State University

Solid textbook content. As useful as 'Larson's Calculus' but Thomas is a better all-around textbook. Do yourself a favor and use the 12th edition instead of the latest edition, which is no. 13. Save yourself a big mound of cash when you buy this older version. As they say, Calculus hasn't changed much in 200 years, relatively speaking. LOL.
