Both books in one collection Black Tiger While Raja Asoka (Ash) Bhosle fights tiger poachers, Dr. Sally Carter struggles against cultural prejudice. Can the Legend of the Black Tiger be the bond that brings them closer together, or will it be an impossible belief that rips them apart. The closer Sally comes to understanding what the legend means, the more frequent the nightmares become. Is she losing her sanity, or is there more to Sally than she herself knows? The answers lie buried in her past. White Tiger New York is no place for a tiger [not for weretiger Sally Carter or for the white tiger she finds in a Harlem basement, guarding an enormous stash of heroin. Sally's daring rescue of the tiger attracts journalist Dave Gardner, who sniffs a story and a lead to a drug baron he's been trying to nail for years.

After the collapse of the Han dynasty in the third century CE, China divided along a north-south line. Mark Lewis traces the changes that both underlay and resulted from this split in a period that saw the geographic redefinition of China, more engagement with the outside world, significant changes to family life, developments in the literary and social arenas, and the introduction of new religions. The Yangzi River valley arose as the rice-producing center of the country. Literature moved beyond the court and capital to depict local culture, and newly emerging social spaces included the garden, temple, salon, and country villa. The growth of self-defined genteel families expanded the notion of the elite, moving it away from the traditional great Han families identified mostly by material wealth. Trailing the rebel movements that toppled the Han, the new faiths of Daoism and Buddhism altered every aspect of life, including the state, kinship structures, and the economy. By the time China was reunited by the Sui dynasty in 589 ce, the elite had been drawn into the state order, and imperial power had assumed a more

transcendent nature. The Chinese were incorporated into a new world system in which they exchanged goods and ideas with states that shared a common Buddhist religion. The centuries between the Han and the Tang thus had a profound and permanent impact on the Chinese world.

Polar bears in the high Arctic. Butterflies on Mexico's mountains. Gray whales in Baja California. Golden toads in Costa Rica. Parrots in the West Indies. Albatrosses off the Olympic Peninsula. Whether on their own or as tour leaders for the Smithsonian Institution and other organizations, John and Gloria Tveten have encountered the world's wildlife with an unfailing appreciation not only for animals of all kinds but also for the places those animals call home. For more than two decades, from some of the most beautiful and fascinating locations in the Western Hemisphere, the Tvetens brought their adventures alive for the readers of their weekly "Nature Trails" column in the Houston Chronicle. Here, with contemporary notes and updates, the Tvetens have gathered a sampling of their favorite, most recommended, most unforgettable trips to see wildlife and nature, which also include the Guatemalan Highlands, the International Crane Foundation, the Andes, the Grand Canyon, and Utah's Redrock Country.

He had both martial arts and medical skills, and went down the mountain to carry out the tasks assigned to him by his master. However, in the city, there were too many grudges and conflicts of influence. The youth that just left the mountain relied on his medical skills and ancient martial arts to protect his master's daughter from harm!
